

WHO CAN CONTRIBUTE?

Under federal law, eligible staff can be asked to contribute if they are salaried employees who have policymaking, managerial, professional or supervisory responsibilities. Your contribution is important to us, but we want to emphasize that all contributions are voluntary and have no impact on your status, performance review, compensation or employment. Any amount given, or the decision not to give, will not advantage or disadvantage you.

Contributions to the SDAHO PAC or AHAPAC are not deductible as charitable contributions for federal income tax purposes. State law requires the SDAHO PAC to use best efforts to collect and report the name and mailing address of individuals whose aggregate contributions exceed \$100. Federal law requires that we report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year.

WHAT IS SDAHO PAC?

SDAHO PAC is a nonpartisan and independent political action committee. SDAHO PAC members administer the SDAHO PAC. They determine which candidates receive financial support based on qualifications, electability, responsiveness and recommendations from local health care providers in that candidate's district. Every dollar contributed to SDAHO PAC supports qualified candidates. There are no administrative fees. Copies of our reports are filed with the Secretary of State, State of South Dakota, Pierre, SD 57501.

87 healthcare bills SDAHO monitored during the 2024 legislative session.
